This week at Preschool!

The children have enjoyed looking and reading the story of Goldilocks and the Three bears.

We have had a sensory play with porridge oats and explored the texture of the oats raw, we also had a tasting experiment with oats when they were used to make porridge like the three bears. Most children enjoyed the porridge at snack time and there were a range of the toppings to try.

All children have been engaged with puppet theatre of the story and many even tried to recreate the puppet show with friends.

We have ended in the week with a Zumbini session hosted by Sophie who is now our resident Zumbini teacher. – Thank you Sophie, children and staff loved it.

Forest school

On the hunt for Superworm!

We loved reading the story Superworm so much we decided to go on a hunt to find him. We also made Superworm out of conkers, leaves, apples, grass and sticks, it was really long and wiggly! The children have also been enjoying climbing trees and searching for minibeasts.
