This month at Pre-school!

This month has been all about Christmas. The children practiced hard for their nativity which was huge success, I would hope you all agree. We have been making Christmas cards, pictures and gifts that will be making their way home on Friday after our big celebration of party day. We also shared a Christmas dinner together. The children have built on their friendships this month and shared a lot of love with each other.

TE Day

Can I remind you all that Monday 4th January 2020 is an inset day. Pre-school will return on the Tuesday 5th January 2020
