Achievements and Performance

	SORP	
	reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	A new committee was elected at the charity's AGM in October 2023. It was established at this meeting that the Charity Annual accounts and Trustee Annual Report had not been completed or submitted for neither Year End 2021 or 2022. While YE/23 accounts were presented at the AGM, they were not approved by its members as they were incomplete and unreliable. The missing documents were retrospectively prepared and approved at an EGM on 25 th March 2023. The committee's findings revealed significant financial losses for the charity over the last few years: £-26,400 Y/E 2021 £-4,300 Y/E 2022 £-18,500 Y/E 2023

The charity had 3 staff members and 7 children on role at the start of the new financial year.

It was established that The Lenches Pre-school did not have sufficient financial income to remain sustainable as its expenditure far exceeded its income and was operating at a significant loss.

The new committee implemented the following to attract new families and support/improve the setting and facilities it had to offer.

Fortnightly Forest school sessions with external Forest School leader Emma from Freedom Forest School CIC proving popular with both children and staff.

Funics sessions each Wednesday morning delivered in the Summer Term by experienced Early Years Teacher Rachel Hartless.
Supporting, developing and preparing children for 'school readiness' predominantly moving on to school in September helping develop all 3 prime areas of EYFS:

- Communication and Language
- Physical Development
- Personal social and emotional development.

Curiosity Corner – Using a community grant awarded in the early part of the year and having been given permission to use a small piece of agricultural land adjacent to where we operate, TLPS established their own much loved outdoor learning facility. Items were purchased from a recently closed outdoor education facility called Muddy Monsters. With Mud Kitchens, water play, tyres, mark making, balancing, climbing and much more now on offer to children attending TLPS and all whilst being outside supporting children's emotional wellbeing.

We invited local community member Jenny to regularly read to the children. Supporting the wider community links and intergenerational working.

During the year we also had a visit from Santa, held an Easter disco fundraiser, a Community Egg rolling competition.

The children enjoyed a trip to all things wild We also improved links with school, supporting children's transition to school. Children enjoyed attending school assembly's and each Friday morning those moving on the school in

a story, activities in the hall and playing on the outdoor play equipment.
All contributing to building a positive relationship with the local school.
During the summer term we saw some staff changes. We welcomed new manager Paula Challacombe who brought a wealth of experience and enthusiasm to the role and has been fundamental to the setting and this years achievements.

September enjoyed going over to school to read

We welcomed new staff members Natasha Owen and Natalie Waters both bringing experience and strong safeguarding and SEND knowledge to support the setting Manager and help the children flourish.

We saw 6 children leave for school in July. 5 of them went to Church Lench First School. Natasha Owen worked with the school to support those children going to school and their transitions.

During the summer holidays we introduced Holiday Club for 1 week to support working families. Giving priority to children at Preschool and their siblings. It was a success and all the children enjoyed their time picking blackberries, going for walks around the village, curiosity corner and much more. Due to its success Holiday Club is something we will be offering for some of the half term breaks going forward into 2024/25 year.

At the start of September 2024 there were 17 children on role proving the initiatives set out above have made a positive impact on the lives of the children and their families.
