Pre-school Life.

Welcome back to Pre-school for our spring term, although it is in very different circumstances.

We are open 3 days a week 9am -2pm and have upto 15 places available for families that require us.

Pre-school is different to how we knew prior to Christmas, as is the world we live in but it is still with the educational and fun values that we all enjoy.

Children you have returned this week have enjoyed activities such as mark-making, name writing, scissor control and role play.

Tapestry

It is great to see some of you interacting with our remote learning via tapestry that staff are providing for you. Please can we ask that this continues as it is a great way to keep in touch with the children that are not attending Pre-school.

Covid -19

Covid 19 is now worse than we have ever experienced, we are all still learning and living with the effects of Covid-19. Please remember that if you or anybody in your household displays symptoms self-isolate and get tested immediately. If you have a positive result please could you notify the preschool at the earliest opportunity.

Committee News.

Thank you to everyone who has provided valued comments following the current National Lockdown. This enables us greatly when putting the guidance we receive into practice.

As a charity run committee-based preschool made up completely of volunteers, if you would like to make a difference and have the passion and energy, please note you can join the committee as a general member at any time. If this is of interest to you please contact Preschool and we can provide you with further details.

Invoices

Invoices from this month will now be issued at the end of every month. This is to accommodate any family that wish to return their child/ren whilst we have our COVID-19 risk assessment in place. We are able to add new children to the bubble from Tuesday the following week, if you wish for a place please contact us by Friday before the bubble will begin.
