

WELCOME BACK TO SCHOOL!

The children have had another lovely week at Pre-School, we have been looking at the story of The Three Little Pigs, we have read the story, built houses out of sticks ,straw and bricks.

We have also started to listen and learn our autumn songs ready for autumn and harvest celebrations.

All children have enjoyed the sunshine out in the garden on a daily basis, with this in mind and the weather turning colder and wet, please could we ask that all children are supplied with a warm waterproof coat, wellington boots, hat, scarf and gloves which are clearly labelled.

As part of the EYFS curriculum we do access the outdoors in all weathers so make sure we have them daily so children can enjoy all aspects of learning.

UPCOMING EVENTS

AGM committee – 16th October20

Harvest sale

Half term mon 26th oct – fri 30th
oct 2020

Forest school

What an exciting time we have had this morning down at Forest School! Last week the children asked to play in the mud kitchen next week so that's exactly what we did! The children filled up buckets of water and carried it to the mud kitchen, she used a spade to dig and gather soil to add into her bucket. The children used different tools to dig the soil and mud. They also showed interest in tree climbing and independently started to show off their tree climbing skills.

Tapestry

Tapestry is now up and running, please feel free to add any observations from home to share your children's important moments with us.

We will be adding observations throughout the week, keep your eyes peeled. Feel free to add comments about your child's learning.

Change in Drop off & Collection

Please can we ask when dropping off and collecting that you wear a mask.

Also we are now only allowing one family down to the main door at a time, this is to give a secure and safe drop off.

Please form an orderly que along the 2 meters markers and enter the ramp in a 'relay' style, so once a family return to the top the next family can enter.

Covid 19

Please ensure you have all read the risk assessment. We are being overly precautionous to ensure that we are keeping, children and staff safe whilst at pre-school. As pre-school is one bubble, if we have an cases or suspected cases, the whole of preschool will close until test have been carried out.

School Photos

Tuesday 6th October is school photo day. We are offering sibling photos under strict social distancing from 8 am. Please contact us to book your place.
